FACE AND BODY SPA FOR MEN & WOMEN

Our News

We're always busy at the Salon, as you know, new exciting ranges, new products, off site events to present... the list is endless, but rewarding.

Firstly, we would like to say congratulations to Jo and Stuart on the safe arrival of their new little bundle of joy. James Henry Walton made his entrance on Sunday 10th January weighing 6lbs 11ozs. Both mother and son are doing really well. More congratulations, as it won't be long before Carol goes on maternity leave as well and then there's Shelley...is it something in the water? And the good news is...our Linda's back running the Salon as Assistant Manager! It's great to have her with us again.

Clarins always manages to come up with the most wonderfully textured products for your skin and they've done it yet again with the recent launch of the beautifully packaged 'Gentle Exfoliators' range containing exotic ingredients such as microbeads in the Gentle Refiner — which buff away dead skin cells and manage to leave your skin clean and radiant. There's also the Smooth Away Cream, and the Brightening Toner not to mention the Gentle Beauty Soap containing shea butter and hazelnut oil. Why not pop in for a sample of exfoliators just to try and make up your own mind?

Clarins again...oh my goodness, how pretty the Cotton Flower Spring Make up Collection is, there's a single eye colour, lipstick (two kinds) and an Eye Quartet and Liner Palette. If you're looking for a beautiful, feminine gift, look no further!

Lastly, there's the launch of Clarins Everlasting Foundation SPF15 which promises up to 15 hours wear.

Also, if you haven't tried Jane Iredale, now is the perfect time to call in for a free half hour foundation skin colour match. Jane Iredale is a natural mineral based range which also helps to treat a variety of skin problems.

Think that's it for now, best wishes to everyone.

Jo, Linda and all the team
